Checklist for Your Appointment

To ensure your appointment runs efficiently and without delay,
please make the following preparations in advance:

General Preparation

- ☐ Tidy all rooms and put away loose items wherever possible
- ☐ Clean and tidy work surfaces, the kitchen and bathroom
- ☐ Keep personal or confidential documents out of sight

Access & Accessibility

- ☐ Ensure access to all rooms to be captured
- ☐ Leave interior doors open wherever possible
- ☐ Clear basements, ancillary rooms and utility rooms if required
- ☐ Have keys, access codes or a contact person available

Lighting & Presentation

- ☐ Switch on all interior lighting before the appointment
- ☐ Open roller shutters, curtains and blinds wherever possible
- ☐ Replace any faulty light bulbs in advance wherever possible

People & Pets

- ☐ Keep the capture area free of people wherever possible during the scan
- ☐ Supervise pets or keep them temporarily in a separate area

Important Information

- ☐ Inform us in advance of any special circumstances, restricted areas or sensitive zones
- ☐ Only prepare outdoor areas if they are to be included in the scan

As a rough guide, allow approximately
30 to 45 minutes per 100 m² of property area for the scan.
